COLLEGE PROFILE

In the heart of Una, Govt. College stands as a testament to a visionary dream that took root in 1968—a dream of nurturing progressive education and shaping the minds of future generations. As we mark five glorious decades in the service of knowledge, the journey has been one of continuous evolution, marked by the addition of novel concepts that enrich the educational experience. The gradual transformation of this institution into a beacon of academic brilliance has been an enjoyable and rewarding process. We extend heartfelt gratitude to every individual who has contributed to the development of this institution, turning a dream into a reality. The journey is ongoing, and with a sense of satisfaction, I stand before this august audience to highlight the achievements of Govt. College for the session 2023-24.

Nestled in the foothills of Mount Shivalik, our college campus is a jewel in the crown of the town. The serene surroundings, including botanical gardens and green cover, preserve the natural ecology while offering a modern infrastructure that caters to the needs of our growing student body. Our current enrollment stands at 3783, comprising 2297 girls and 1486 boys.

Excellence is the cornerstone of any academic institution, and Govt. College, Una, has consistently pursued this ever-approaching target. Since its humble beginnings, the college has embraced a pragmatic approach. Through the undaunted determination and perseverance of its faculty and staff, the institution has flourished over the years, striving for innovation and excellence. In 2016, the college received a 'B' Grade accreditation from the NAAC Peer team, a testament to its commitment to quality education. The academic offerings at Govt. College, Una, span a wide range, including undergraduate courses in Arts, Commerce, and Science. Additionally, postgraduate programs in English, Political Science, and Commerce have been introduced in the current session. Professional courses such as MBA, MCA, BBA, BCA, PGDCA, and B.Voc. are successfully administered under the aegis of HEIS, a registered society. The teaching strength of self-financing courses adheres to UGC norms, with 21 dedicated educators ensuring a high-quality learning experience.

As we continue this enriching journey, Govt. College, Una, remains committed to fostering a culture of academic excellence, innovation, and holistic development, preparing students for the challenges of the future.

Mission

The college aspires to emerge as an exemplary institution of excellence in Higher Education. Our mission is dedicated to imparting higher education that fosters comprehensive and wholesome development among its key stakeholders. We are committed to instilling in our students an enduring thirst for knowledge, underpinned by academic rigor and impassioned knowledge dissemination, leading to a pursuit of academic excellence. Our goal is to sensitize students to societal concerns, nurturing a sense of responsibility. The college is dedicated to providing ample opportunities for the multifaceted development of local youth, transcending barriers of religion, race, caste, and gender. We actively seek to promote student-centric learning, fostering self-development, and cultivating a profound social awareness and sense of responsibility among our students.

Objective

At the core of our institution's mission is the transformation of students into conscientious and responsible citizens. Our primary goal is to impart a well-rounded, value-based education that goes beyond academics. We diligently strive to cultivate the physical, spiritual, intellectual, moral, and aesthetic dimensions of our students, aiming to shape them into individuals who are not only intellectually adept but also possess strong moral fiber and a commitment to societal well-being.

Academics (General Courses)

In an era marked by intense global competition, our college acknowledges the dynamic nature of academic standards that must adapt to the ever-evolving demands of a boundless future. Embracing a comprehensive approach to the evolving dynamics of teaching and learning, we have introduced several enhancements. Our classrooms now boast state-of-the-art sound systems, while new facilities are equipped with overhead projectors and screens. Recognizing the increasing importance of technology in education, we have outfitted 50 rooms with ICT capabilities. Faculty members across all departments have been provided with laptops to ensure adeptness with technology, and our campus proudly offers Wi-Fi connectivity. In addition to traditional classroom instruction, our students actively participate in personality development initiatives through various clubs and societies. These avenues provide them with dynamic platforms to explore and broaden their intellectual horizons.

Graduate & Post Graduate Courses

In the past year, our institution has made significant strides in expanding its academic offerings, with a diverse range of Undergraduate (UG) and Postgraduate (PG) courses. Our UG programs continue to provide a strong foundation for students, fostering intellectual curiosity and critical thinking. Meanwhile, our PG courses have been designed to meet the evolving demands of various industries, equipping graduates with advanced knowledge and specialized skills. This strategic expansion underscores our commitment to delivering quality education across all levels, preparing students for successful and impactful careers in their chosen fields.

Activities conducted by Professional Courses

Department of BBA

The BBA Department, established in 2008, remained steadfast in its commitment to fostering an environment that nurtures young students into future leaders, excelling in the field of management through active participation in co-curricular activities. Throughout the year, the BCA Department orchestrated a blend of academic and co-curricular activities, aiming for the holistic development of students. These initiatives not only offered a welcome respite from routine work but also served as a

platform to discover and nurture recreational talents among the students. The department organized various activities to achieve this goal:

The commencement of the 2023-24 session kicked off with the orientation program "Aarambh," an initiative designed to explore new horizons and welcome incoming students. The BBA students achieved an impressive pass percentage of approximately 93%, with 78% securing a position in the first division. Engaging competitions such as Collage Making and Planters from Waste were organized, adding a creative and eco-friendly dimension to the students' participation. The establishment of the management club, "The Managing Falcons," aimed at honing managerial skills among the students. In a live project, students displayed their handmade Diyas and other decorative materials within the college campus. Notably, students Gurwinder and Tanya secured the second and third prizes, respectively, in the face painting competition, adding accolades to the department's achievements.

Department of BCA

During the festive season of Diwali, an engaging Art & Craft competition was conducted to enrich the overall development of students. This event provided a vibrant platform for participants to exhibit their creative prowess and innate talents. Encouraging students to delve into their artistic interests, the competition served as a catalyst for skill development. The valuable experience gained during this competition contributed significantly to the personal and artistic growth of all participants. In the realm of sports, noteworthy achievements were attained by several students. These achievements reflect the diverse talents and competitive spirit present within the BCA student community.

- Baljeet Singh, a BCA 2nd Sem student, and his team achieved the 1st runner-up position in the Hockey Tournament held in November 2023, winning the prestigious trophy.
- Heena, a BCA 4th Sem student, demonstrated excellence by securing the 2nd position in Shot put during the Annual Athletic meet in February 2024.
- Anshit Thakur, a BCA 4th Sem student, contributed to his team's success by winning the Bronze trophy in the Inter College Cricket Tournament held in November 2023.
- Rajvir Singh, a BCA 2nd Sem student, and his team displayed remarkable skills, earning them the Bronze trophy in the Inter College Kabaddi Tournament held in October 2023.

Department of B.Voc

Department of B.Voc was started from session 2017-18. Department is providing two courses i.e. Retail Management and Hospitality & Tourism. The department has 40 seats in each stream. Individual VT's for various levels, LA's for both courses and one Clerk have been provided by the government. Separate labs have been established for both the courses. Time to Time guest lectures are conducted from industry experts for both streams for their grooming and skill development. Total 152 Students were enrolled in Department of B.Voc for the session 2023-24. During the celebration of "World Tourism Week" starting from September 21, 2023, the Department organized a variety of engaging activities. These included student-led initiatives such as Food Stalls, Quizzes, Mehendi, Painting, and Declamation competitions. The dynamic week showcased the diverse talents and interests of the participants, fostering a spirit of enthusiasm and creativity within the department.

Department of MBA

MBA department organized Seven days Orientation programme 'Parichay' for the new students in the beginning of the new session. Multifarious activities such as one month Summer Internship training were organized to equip them with the current corporate protocol. MBA students from Govt. College Una secured the Best College Award at the HPTU Management Fest, excelling in management and cultural games on 26th & 27th April 2023.

Various guest lectures by eminent personalities related to the curriculum and general topics were organized from time to time. The MBA Department organized industrial trips for students to Time of India, Panchkula, and India Glycols Ltd, Dehradun, on 17th and 18th November 2023, respectively, followed by a visit to the Forest Research Institute in Dehradun.

Department of MCA

The MCA Department organized a 3-days workshop on "Cyber Security" from 20th March 2023 to 22nd March 2023. A three days Orientation Programme 'Resonance-23' was organized in the month of September. MCA Department organized a 2-day Faculty Development Programme on "ICT in Education" for all the teaching and non-teaching staff of college. Our Students participated and bagged prizes in various activities held in the college from time to time.

In addition to the enriching guest lectures covering both general and curriculum-related topics, our Master of Computer Applications (MCA) course has seen remarkable developments. The department has successfully entered into Memorandums of Understanding (MOUs) with various industry-leading companies, fostering collaborative initiatives to enhance the practical exposure of our MCA students. Notably, the efforts have borne fruit, with seven students from the MCA program securing placements in prestigious private companies, further validating the effectiveness of our curriculum in preparing students for successful careers in the dynamic field of computer applications. This achievement reflects our commitment to bridging the gap between academia and industry for the holistic development of our students.

Scholarships

Education-oriented progress receives a significant boost when a student's commendable achievements are not only acknowledged but also rewarded with financial assistance. In a dedicated effort to encourage diligent students, with a particular emphasis on empowering girls, the state government has instituted various scholarship programs. These initiatives aim to provide tangible support to deserving students, fostering an environment where academic success is not only recognized but also accompanied by meaningful incentives. The diverse range of scholarship schemes reflects the government's commitment to nurturing educational excellence and ensuring that financial considerations do not hinder the pursuit of knowledge and skills.

Cultural activities

Cultural activities are an integral part of any formal education. College being a temple of learning is also a custodian of cultural heritage and moral values that are imperative for character building. Upholding the essence of such a spirit, the cultural committee headed by Dr. Sanjay Verma.

This year, our college actively participated in 8 out of 10 events in Group 1 of the HPU Inter College Youth Festival held at G.C. Nalagarh. Our students showcased outstanding performances in Photography, Rangoli making, Poster making, and the Declamation contest.

Our diverse college cultural team, comprising students from various disciplines, also took part in Group 2 of the HPU Inter College Youth Festival at G.C. Rampur Bushehar, Distt. Shimla. The team excelled in Classical Vocal Music, Light Vocal Music, Classical Music Instrumental (Sitar Vadan), Indian Group Song, and Indian Folk Song. Notably, our team secured the 2nd position in Indian Group Song out of the 48 colleges participating in the event. The cultural journey continued as our talented young boys presented a mesmerizing Malwaayi Giddha in Group 3 of the HPU Inter College Youth Festival at G.C. Nadaun. The boys' performance left a lasting impression, and our team was even requested to perform again during the closing ceremony in front of the Chief Guest. Although the team did not clinch victory, their memorable performance resonated with the audience. In essence, the entire year was filled with cultural events, providing our students with numerous opportunities to showcase their talents on various occasions

VISION FOR THE FUTURE

We envision a future where holistic education serves as the cornerstone of progress and prosperity for our students and community alike. As we push through the challenges of today, we remain steadfast in our commitment to fostering a dynamic learning environment that empowers individuals to excel academically, professionally and personally.

Looking ahead, we aspire to further enhance our infrastructure, expand our academic programmes and strengthen our partnerships with industry and community stakeholders. Through innovation, inclusivity, and excellence in teaching and research, we aim to cultivate a generation of leaders equipped with the skills, knowledge and values necessary to thrive in an ever-evolving global environment.

For this, the college has lined up some projects for the future that are important for its comprehensive growth –

1. There is an indispensable need for an auditorium. Located in the District Headquarters, the college often struggles to manage events in the multipurpose hall and the BCA hall due to their limited capacity. An auditorium would address this challenge, providing a larger space to accommodate a significant number of students during various events and functions.
2. Given our outstanding achievements in the field of sports, there is an urgent need for an Indoor sports stadium.
3. The introduction of various professional courses has escalated the requirement for a girls hostel.
4. There is a pressing necessity for the construction of new residences in the Teachers' Colony.
5. The current staff (both Teaching and Non-Teaching) is insufficient, necessitating the creation of more positions to accommodate the growing student strength.

As I conclude the report, on behalf of the entire college fraternity, I take the opportunity to extend my gratitude to the District Administration, various Govt. Departments, Media, Social organizations and distinguished personalities for their invaluable support.

Sir, your esteemed presence in the campus for the 54th Annual Prize Distribution Function has given this college an occasion to rejoice and rededicate itself in its quest for excellence. On behalf of the students and all the staff members, I once again express my heartfelt thanks to you. I also congratulate the prize winners and wish them a prosperous future.

Jai Hind!
