The various programs offered will be aligned to Qualification Packs (QP) and National Occupational Standards (NOS) developed by NSDC through Sector Skill Councils, to bridge the gap of industry requirement for suitable jobs. This course will be a part of applied course offered to the students and will be integrated into the timetable of the participating college. Facilitating employment to the students post achieving certification, training partners will ensure that through respective Sector Skill Councils quality placement of the students desiring the same is achieved.

Govt. Degree Colleges affiliated to Himachal Pradesh University will create awareness among the students to promote and encourage enrolment in skill-based courses. For this, it will share information on its website, do mass e-mailing to students and actively promote the engagement on other social media platforms, as and when required.
