Career Counseling and Placement Cell

Career Counseling and Placement Cell established in the year of 2019 in Govt. College Una (H.P.). The Training & Placement Cell, Govt. College Una (H.P.) facilitates the process of placement of students passing out from the Institute besides collaborating with leading organizations and institutes in setting up of internship and training program of students. The office liaises with various industrial establishments, corporate houses etc which conduct campus interviews and select graduate and post-graduate students from all disciplines. The Training & Placement Office provides the infra-structural facilities to conduct group discussions, tests and interviews besides catering to other logistics. The Office interacts with many industries in the country, of which nearly 30 companies visit the campus for holding campus interviews. The industries which approach the institute come under the purview IT enabled services, Manufacturing Industries, Consultancy Firms, Finance Companies Management Organisations and R & D laboratories.

The training and placement cell in Govt. College Una also facilitate internships and industrial visits for students to gain practical experience in their chosen field of study. They may maintain a database of student profiles and employer requirements, and also conduct mock interviews, aptitude tests, and other assessments to prepare students for the recruitment process.

Throughout the course of the year, the placement season is ongoing. The Government College Una hosted the Rozgar Mela "Unnati-2023" in the 2022-2023 academic Sessions. In this rozgar mela, more than 200 students participated, around 22 companies took part, and 57 students were selected. Pre-Placement Talks are also conducted in this regard as per mutual convenience. Job offers, dates of interviews, selection of candidates etc. are announced through the Training & Placement Office. The Placement Office is assisted by a committee comprising representatives of students from the under-graduate and post-graduate engineering streams. The committee evolves a broad policy framework every year besides a set of rules which are inviolable. Student's members are closely co-opted in implementing these policy decisions.
