Definitive Agreement

Any cost associated with the execution of the objectives of this MOU, if any, shall be mutually discussed and agreed to between the parties in a definitive agreement, before carrying out the activity.

Tenure and Termination

This MOU is valid for five (5) years initially and will be deemed renewed for three years unless terminated otherwise.

This MOU shall commence as set forth above and remain in effect through the end of the term unless:

- a. Otherwise superseded by another agreement between the parties.
- b. The parties mutually agree to terminate this MOU.
- c. Either party gives the other 90 days' written notice of their intent to terminate this MOU.
- d. A breaching party has failed to cure a material breach of this MOU within 30 days following written notice of that breach given by the non-breaching party.

Each party is an independent contractor and no provision of this MOU grants either party any express or implied right or authority to assume or create any obligations or responsibility on behalf of or in the name of the other party or bind the other party in any manner or thing whatsoever.

Neither party shall assign or transfer the privileges and obligations under this MOU without the prior written consent of the other party.

After two workshops Smart Programming will conduct a screening test for all the students. The students who ever will clear this screening test, will be selected for In-House projects. The

students will be the part of In-House projects team will work along with the faculty of MCA Department and Mr. Deepak on Smart Programming's minor projects. All the students who will be the part of In-House projects team, will be awarded by special certificates and will also be paid by Smart Programming as per the project requirements, duration and quality of work.

MEMORANDUM OF UNDERSTANDING

Between
Smart Programming
And
MCA Department, Govt. College, Una.

This memorandum of Understanding (MOU) sets for the terms and understanding between the Smart Programming (Mohali) and the Govt. College, Una for Industrial Training and Placements of students.

Objectives: -

Objectives of MOU are:

1. To bind the gap between industry and institution.
2. To provide Quality Training for MCA Students to enhance student's capability and competencies.
3. To train and hire the deserving students for In-House projects.
4. To train and hire the deserving candidates in relevant fields in Smart Programming (Mohali) or in various other placement partners of Smart Programming (Mohali).
5. To provide opportunity to work on live projects, so that students can get familiar with company atmosphere.

Detailed MOU

Smart Programming (Mohali) will provide at most two workshops/seminars in a month to all the MCA students, during the session 2024-26 on any technology as per the interest of students and faculty of MCA Department. Smart Programming (Mohali) will not charge anything from Govt. College, Una for said workshops/seminars. The workshop/seminars either deliver on a single topic in depth during the session or deliver on different topics for brief introduction depending upon the interest of students and faculty of MCA Department.

Govt. College Una will provide the necessary infrastructure for the conduct of these workshops/seminars without taking any financial benefits from Smart Programming (Mohali). The students will attend all the workshops/ seminars during the session 2024-26, will be appreciated by Smart Programming (Mohali) (By Certificates).

In the end of every academic session, a complete selection process will be carried out by Smart Programming (Mohali) for MCA 4th semester students and selected candidates will be hired by Smart Programming (Mohali) as per the vacancies available. Top ten selected students will get up to 50% scholarship for their Industrial Training at Smart Programming (Mohali) if they will join Smart Programming (Mohali) for their Industrial Training. Govt. College Una will not have any binding to send any number of students for Industrial Training in Smart Programming (Mohali). Smart Programming (Mohali) will help in terms of technical support in all the major assignments of the MCA Department like Tech Fest, Industrial Visit and Job Fair etc.

Duration

This MOU is at -will and may be modified by mutual consent of authorized official's from Smart Programming (Mohali) and Govt. College Una. This MOU shall become effective upon signature by the authorized officials from the Smart Programming (Mohali) and Govt. College Una and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from Smart Programming (Mohali) and Govt. College Una, this MOU shall start on 19th March, 2024.
