- Faculty Members
- Student Representatives

Overview:

On June 7, 2024 Dr. Amarjeet K. Sharma, the Director of Higher Education for the Government of Himachal Pradesh, visited Government College Una to inspect the under-construction new arts block and discuss key infrastructure initiatives within the campus.

Key Activities:

1. Inspection of the New Arts Block:

- Dr. Sharma toured the construction site of the new arts block, reviewing the architectural plans and construction progress.
- Emphasized the importance of timely completion to enhance academic facilities for students.

2. Discussion on Smart Classrooms:

- Dr. Sharma highlighted the implementation of smart classrooms as a critical component for modernizing education.
- Discussed the integration of technology to improve teaching methodologies and learning outcomes.

3. Land Issues:

- Addressed ongoing land-related challenges impacting campus expansion.
- Suggested solutions for resolving these issues to facilitate further development.

4. Infrastructure Updates:

- Reviewed various infrastructure projects, including renovations and facility upgrades.

- Encouraged the administration to prioritize student needs in future planning.

Conclusions:

Dr. Sharma's visit was instrumental in reinforcing the commitment of the government to improve educational facilities in Government College Una. His insights on infrastructure, technology integration, and land management will guide the college's development initiatives moving forward.

Next Steps:

- Follow up on the construction timeline for the arts block.
- Initiate plans for smart classroom implementation.
- Address land issues with relevant authorities.
