# Alumni Feedback Report

This questionnaire seeks to gather feedback from recent graduates about their experiences at the college. The collected information will help us assess the institution's strengths and areas for improvement, ultimately aiming to enhance our workplace culture. The survey covers the following topics:

1. Degree/Program completed at the college.
2. Year of completion of the Degree/Program.
3. If you pursued further education, please provide details of the course/program, the university/college attended, year of admission, and year of completion.
4. Have you passed any competitive examinations? If so, please provide the name of the exam, the year you qualified, registration number, roll number, and rank.
5. If you have started a job, please provide the name of the company/organization, your designation, and the year you joined.
6. If you are involved in business, please provide details.
7. I am proud to be associated with Govt. P.G. College Una.
8. I believe the college imparted valuable lessons in character building.
9. The college significantly contributed to enhancing my confidence.
10. The extracurricular activities provided opportunities for personal development.
11. Would you be interested in assisting the college with establishing corporate connections for placement drives, talks, seminars, etc.?
12. Please provide suggestions for improving the relationship between alumni and the college.
13. Rate the college on a scale of 1 to 5 for the following aspects: Infrastructure, Academics, Sports, and Cultural activities.
14. Conduct a SWOT Analysis of the institution, highlighting strengths, weaknesses, opportunities, and threats.

This survey is conducted electronically via Google Forms, with links distributed through social media. Results will be based on the feedback provided by respondents.

Component	Analysis
1.	The graph of this component shows the degree or programme of the respondents. Here we see that maximum responses are from B.Com. students i.e., 32.4 % followed by BCA students i.e., 15.1%
2.	Second graph shows that maximum responses are gathered from 113 students of the pass outs year 2024 i.e., 81.3%
3.	The data collected showed 42.4% of students have opted for higher education.
4.	The analysis data showed that 15 respondents i.e., approximately 11% have qualified competitive examination.
5.	11 of the respondents have joined jobs i.e, 7.9% of the alumni students.
6.	3 of the respondents are involved in business sector.
7.	92% of the respondents feel proud to be associated with Govt. College Una.
8.	90.5% of the respondents feel that college taught them some valuable lesson in character building.
9.	88.3% of the respondents feel that college played an important role in increasing their level of confidence.
10.	84.7% feel that extracurricular activities gave them opportunity to develop their personality.
11.	50.4% of the alumni are ready to help the institute in initiating corporate relations for conducting placement drives, talks, seminar etc.
12.	<p>Here are some relevant suggestions, based on the responses received, to enhance the relationship between alumni and the college:</p> <ol style="list-style-type: none"> <li>a) Support recent graduates in their career endeavors.</li> <li>b) Placement assistance is needed by creating a social media group and should invest in supporting your alumni.</li> <li>c) Implement a reward system to recognize alumni who have achieved notable success.</li> <li>d) Highlight alumni achievements in newsletters and on the college website.</li> <li>e) Introduce additional activities or projects to foster stronger connections between teachers and alumni.</li> <li>f) Offer facilities that allow alumni access to the library and other college resources.</li> <li>g) Develop a web-based platform within the career center that provides job and internship listings, interview tools, career guidance, and one-on-one advising for alumni.</li> <li>h) The college should organize alumni events and invite alumni to encourage and inspire current students for a brighter future.</li> <li>i) The college should strive to provide opportunities for underrepresented students to reach their potential.</li> <li>j) Increase the number of seminars and talks organized by the college.</li> </ol>

13.	<ul style="list-style-type: none"><li>• 72.6% of the respondents gave a rating ranging between excellent and good (5-4) for infrastructure Facilities on a scale of 5.</li><li>• 86.3% of the respondents gave a rating ranging between excellent and good (5-4) for Academic Facilities on a scale of 5.</li><li>• 81.2% of the respondents gave a rating ranging between excellent and good (5-4) for Sports Facilities on a scale of 5.</li><li>• 83.4% of the respondents gave a rating ranging between excellent and good (5-4) for Cultural Facilities on a scale of 5.</li></ul>
-----	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

	<b>Strength</b>	<b>Weakness</b>	<b>Opportunities</b>	<b>Threats</b>
14.	<ul style="list-style-type: none"> <li>❖ Well-qualified, active, and creative faculty members.</li> <li>❖ Experienced administrative staff.</li> <li>❖ Faculty with strong positive interaction skills with students.</li> <li>❖ Strong help desk support and committees for concerned issues of the students in college</li> </ul>	Hygiene should be prioritized.	Entrepreneurship programs	Lack of proper security controls in college
	Talented students outshining in the academic and extra curriculum. Besides that they are getting the jobs and placements by the end of their degrees.	The need of collaborations with advanced professional institutes	Management fests and placement drives	Students in influence of negative social media content
	Important lessons in character development	The entry of outsiders in college premises should be prohibited	Motivational and educational lectures and drives during the courses to enhance student skills and knowledge	Violence issues
	Well equipped infrastructure with adequate facilities	Placement cell for academic courses like that of MBA courses should be strengthened.	Latest teaching tools and technologies in the college campus	Economic downturn affecting students
	Strong academics and proper resource management	The rules should be slightly stricter, with regular inspections conducted by college authorities.	Enhanced campus sustainability factors.	Government changes in state affecting funds for education

**Based on the SWOT analysis, the college can enhance its performance by addressing the following areas:**

- **Improving cleanliness**
- **Tackling issues of indiscipline**
- **Taking control on security issues and awaking students about negative social media content**
- **Organizing more placement drives**
- **Upgrading ICT tools**
- **Ensuring effective management**

## Questionnaire

A questionnaire was created with 5 questions addressing general student information and 9 questions focused on feedback about the course curriculum. Additionally, an open-ended question asking for suggestions on improving the course curriculum was included. Teachers' feedback was assessed using a 5-point scale ranging from "Strongly Agree" to "Strongly Disagree." The specific questions are detailed in Annexure III.

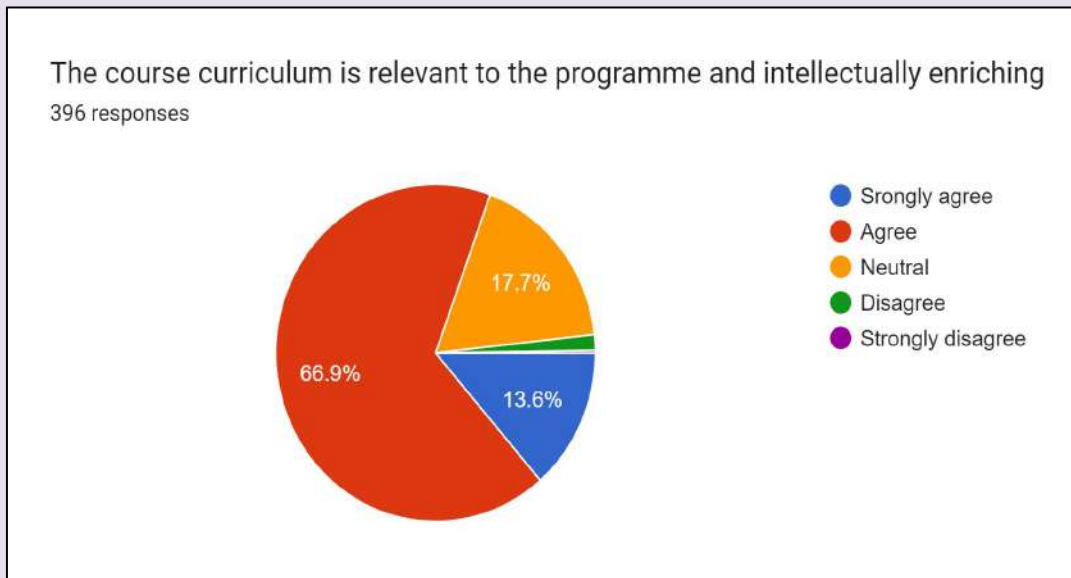

### Annexure-III

1. The course curriculum is relevant to the programme and intellectually enriching
2. The contact hours and the credits allocated to the courses are sufficient
3. Internal assessment pattern is good which makes the students confident to face the university exams
4. Skill courses offered in the syllabus are in relation to the present-day technological advancement
5. The distribution of contact hours among the course components i.e. Lecture, Tutorial and practical is good
6. The contents of the courses stimulate my interest and thought on the subject area and encourage extra learning/self-learning
7. The books prescribed for reference are relevant, appropriate and updated.
8. The size of the syllabus in all the courses is well balanced
9. The curriculum is helping the development of your personality and is applicable in your daily life

## SUGGESTIONS FOR THE IMPROVEMENT

### B.Com Students

1. There should be implementation of more subject related activities in class to increase the interest of students in their respective subjects.
2. Syllabus should be upgraded and improvised.
3. There should be improvement in internal assessment criteria.

### B.Sc. Students

1. Increase the number of activities that enhance student skills and confidence, such as educational trips and public speaking opportunities.
2. The course curriculum should be more oriented towards practical applications.
3. Include courses focused on soft skills development.
4. The syllabus needs to be better balanced and updated.
5. Revise the distribution of the syllabus.
6. The practical syllabus should be more comprehensive and detailed.
7. Expand the number of skill development courses, as they are valuable for future success.
8. The curriculum should incorporate the latest researches taking place related to the study topics.

### BA Students

1. Books related to the syllabus are not readily available and should be updated in the course curriculum. Additionally, the current books are not very useful or informative.
2. IT tools should be utilized more frequently to enhance understanding and learning.
3. Modern perspectives on arts subjects should be incorporated by upgrading and refining the course curriculum.

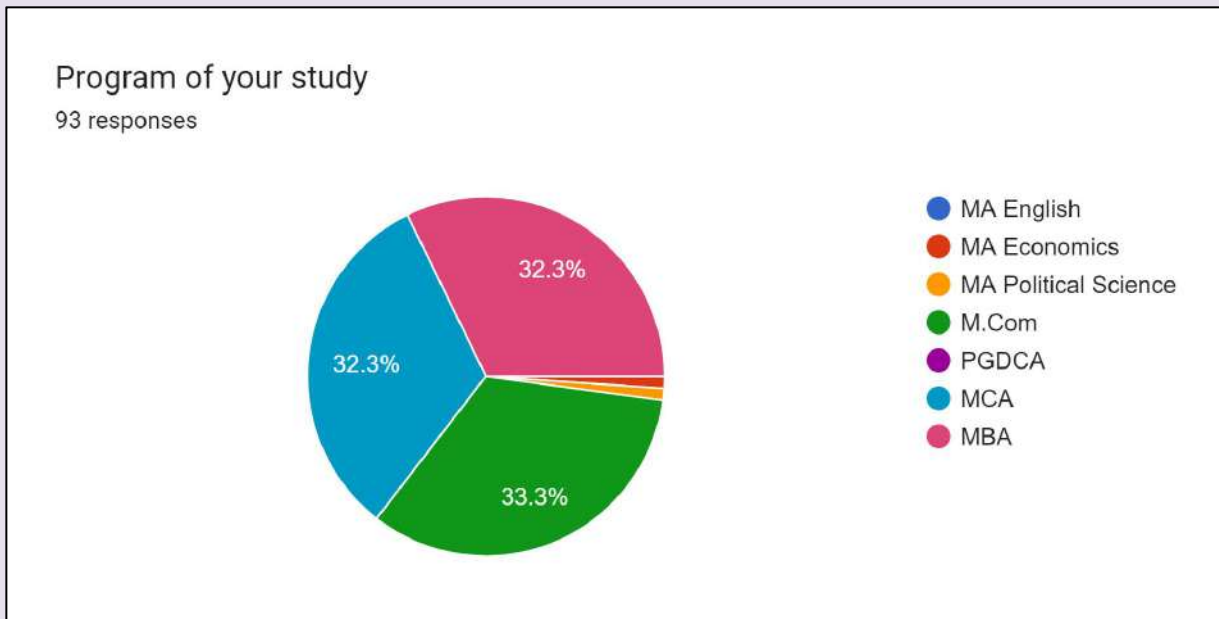

### BBA Students

1. The BBA course curriculum should be enhanced to include more practical experiences, internships, and projects.
2. Greater emphasis should be placed on creative learning objectives and skill development activities within academics.

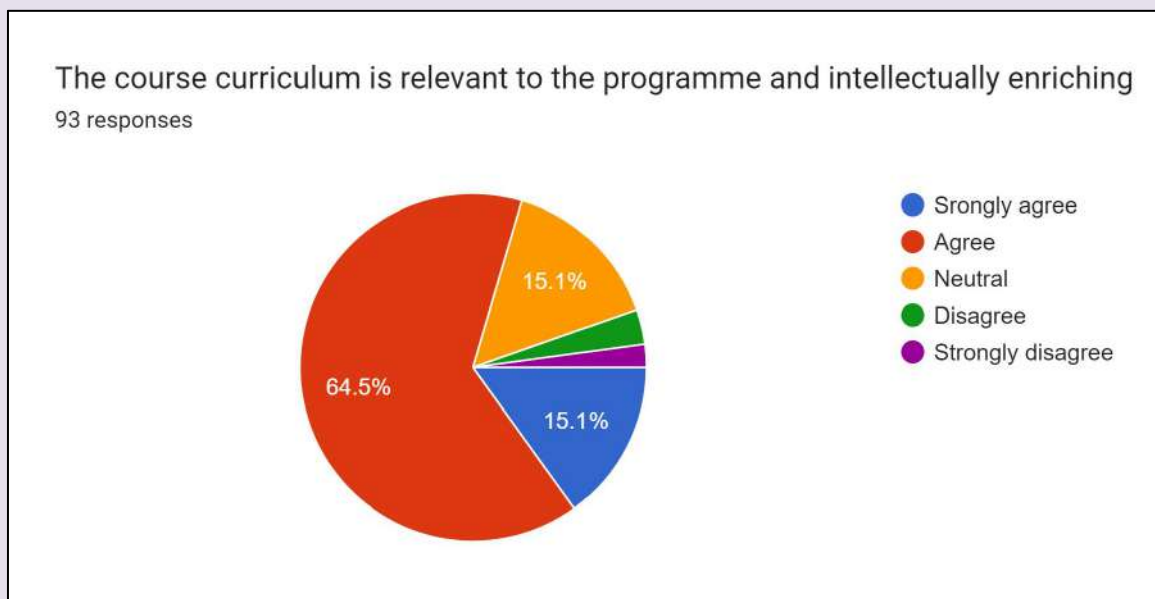

## BCA Students

1. The syllabus should be updated to reflect the latest developments.
2. The distribution of contact hours among course components, such as lectures, tutorials, and practicals, needs improvement.
3. Industrial trips should be included to provide students with practical insights and experiences related to their field.
4. The BCA syllabus is outdated and should be revised to incorporate the latest technological advancements.

## Questionnaire

A questionnaire was developed containing 5 questions related to general faculty information and 11 questions for gathering feedback on the course curriculum. Additionally, an open-ended question soliciting suggestions and improvements was included in the survey. Teachers provided feedback using a 5-point scale ranging from "Strongly Agree" to "Strongly Disagree". For specific question details, please refer to Annexure 1 below:

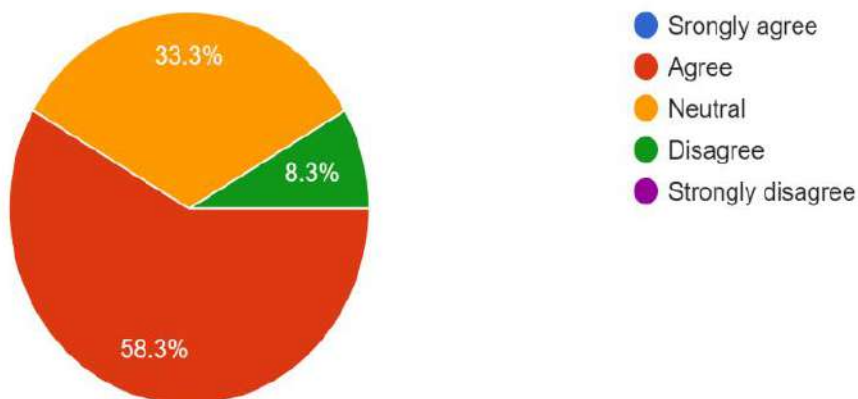

### Annexure-I

1. The contents of the syllabus are appropriate as per the present day need of the Industry/Employers
2. The contact hours allocated to the courses are sufficient for the completion of syllabus
3. The internal evaluation methods mentioned in the syllabus are sufficient for proper assessment of the students
4. The theory and practical components of the syllabus are well balanced.
5. The syllabi of different courses stimulate students' interest and thought on the subject area and encourage them for extra learning/self-learning
6. The books prescribed for reference are relevant, appropriate and updated.
7. The size of the syllabus in each unit of all the courses is well balanced
8. The syllabus provides scope to teachers to adopt new and different techniques for teaching.
9. The curriculum is well organized and suitable to the program
10. The system followed by the university for the design and development of curriculum is effective and has provision for its update from time to time
11. The elective courses offered are in relation to the technological advancements
12. Any suggestion regarding the improvement of course curriculum

DATA ANALYSIS (SCIENCE FACULTY)

The contents of the syllabus are appropriate as per the present day need of the Industry/Employers

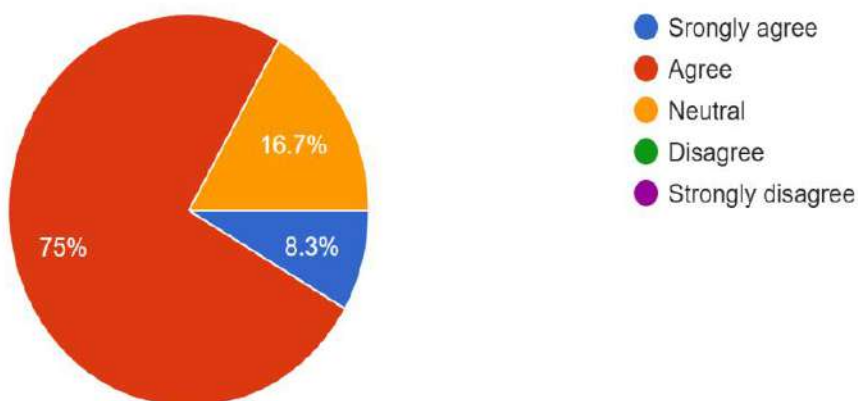

12 responses

**Fig.1** 58.3% of teachers agree to the fact that the contents of the syllabus are appropriate as per the present day need of the Industry/Employers

The contact hours allocated to the courses are sufficient for the completion of syllabus

12 responses

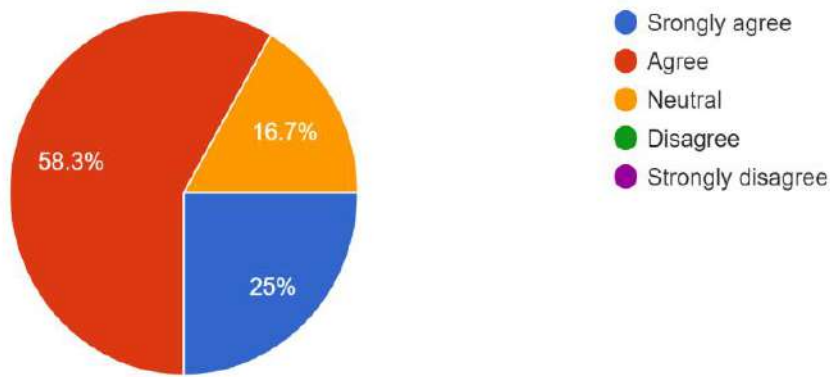

**Fig.2** More than 75 % teachers agree that the contact hours allocated to the courses are sufficient for the completion of syllabus

The internal evaluation methods mentioned in the syllabus are sufficient for proper assessment of the students

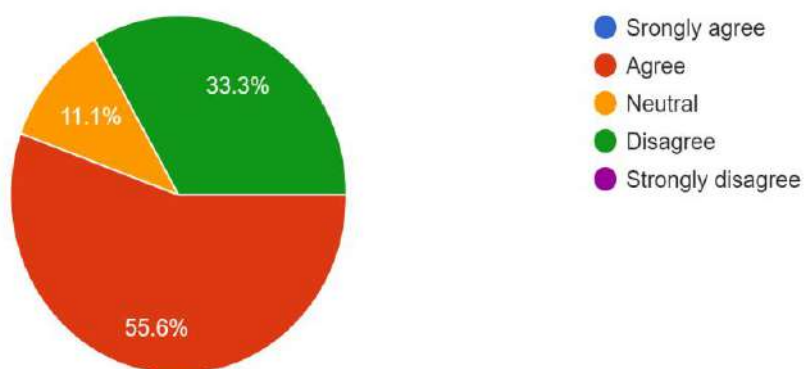

**Fig. 11** More than 50 % teachers agree that the elective courses offered are in relation to the technological advancements

### SUGGESTIONS FOR THE IMPROVEMENT

1. Additional subject topics should be incorporated into the syllabus.
2. Each subject should have only one integrated practical with a reasonable maximum marks allocation.
3. The syllabus requires updating and reform.
4. More hands-on projects and practical applications should be included to enhance practical skills and student engagement in the course curriculum.
5. The course curriculum should incorporate more new teaching techniques.
6. Guest lectures and seminars by experts from academia and industry should be organized to expose students to cutting-edge research and career opportunities.
7. The syllabus of skill subjects needs upgrading.
8. There is an urgent need for comprehensive reform of the Board of Studies and its selection process.
9. Essential courses are currently offered as electives, which poses significant issues.

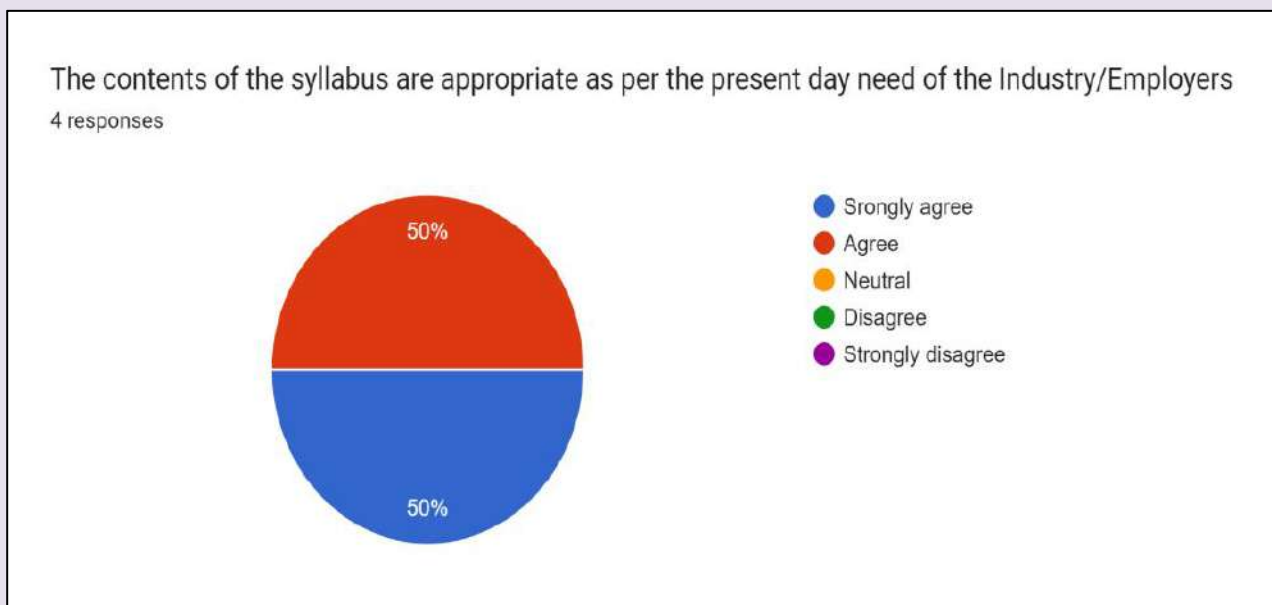

**Fig. 11** More than 55% teachers agree that the elective courses offered are in relation to the technological advancements

## SUGGESTIONS FOR THE IMPROVEMENT

1. The balance between theory and practical components in the subject syllabus should be maintained.
2. Regular revision and updating of the syllabus are essential.
3. Internal evaluation methods should be eliminated.
4. The syllabus should involve experienced college faculty and senior teaching cadre in its development to ensure foundational improvements are considered.
5. The curriculum for environmental science should be industry-oriented and regularly updated to meet current needs.

## SUGGESTIONS FOR THE IMPROVEMENT

1. The education policy should be reconstructed to meet present requirements.
2. There should be dedicated space and a schedule for cultural activities alongside academics.
3. Admissions should be based on entrance exams and scheduled consistently during specific periods.
4. Library timings should be extended to accommodate students during non-standard hours.
5. Science department labs and equipment need regular updates.
6. Proper hygiene and cleanliness measures should be prioritized.
7. Leveraging technology for improved campus efficiency is crucial.
8. Promoting experimental learning through internships and industry projects is essential.
9. Measures should be implemented to ensure fair student evaluation and effective administration of internal assessments.
10. Emphasizing research and academic pursuits over less significant activities is vital.
11. Investments in research infrastructure are necessary to align with the objectives outlined in the NEP 2020.
